Please join us and share your comments about an upcoming project in your neighborhood.

**Project Name: 37th Avenue from Regal Street to Custer Street and Hazel's Creek Downstream Stormwater Improvements**

**Project Numbers: 2006167 and 2013055**

**When: Thursday, September 10, 2015  
6:30 to 8:30 pm**

**Where: Chase Middle School Multi Purpose Room  
4747 E 37th Avenue**

**Project Description: Rehabilitation of 37th Avenue from Regal Street to Custer Street and approximately 1500 feet of Freya Street to the south of 37th Avenue. This work is the combination of two separate projects needing to be done simultaneously.**

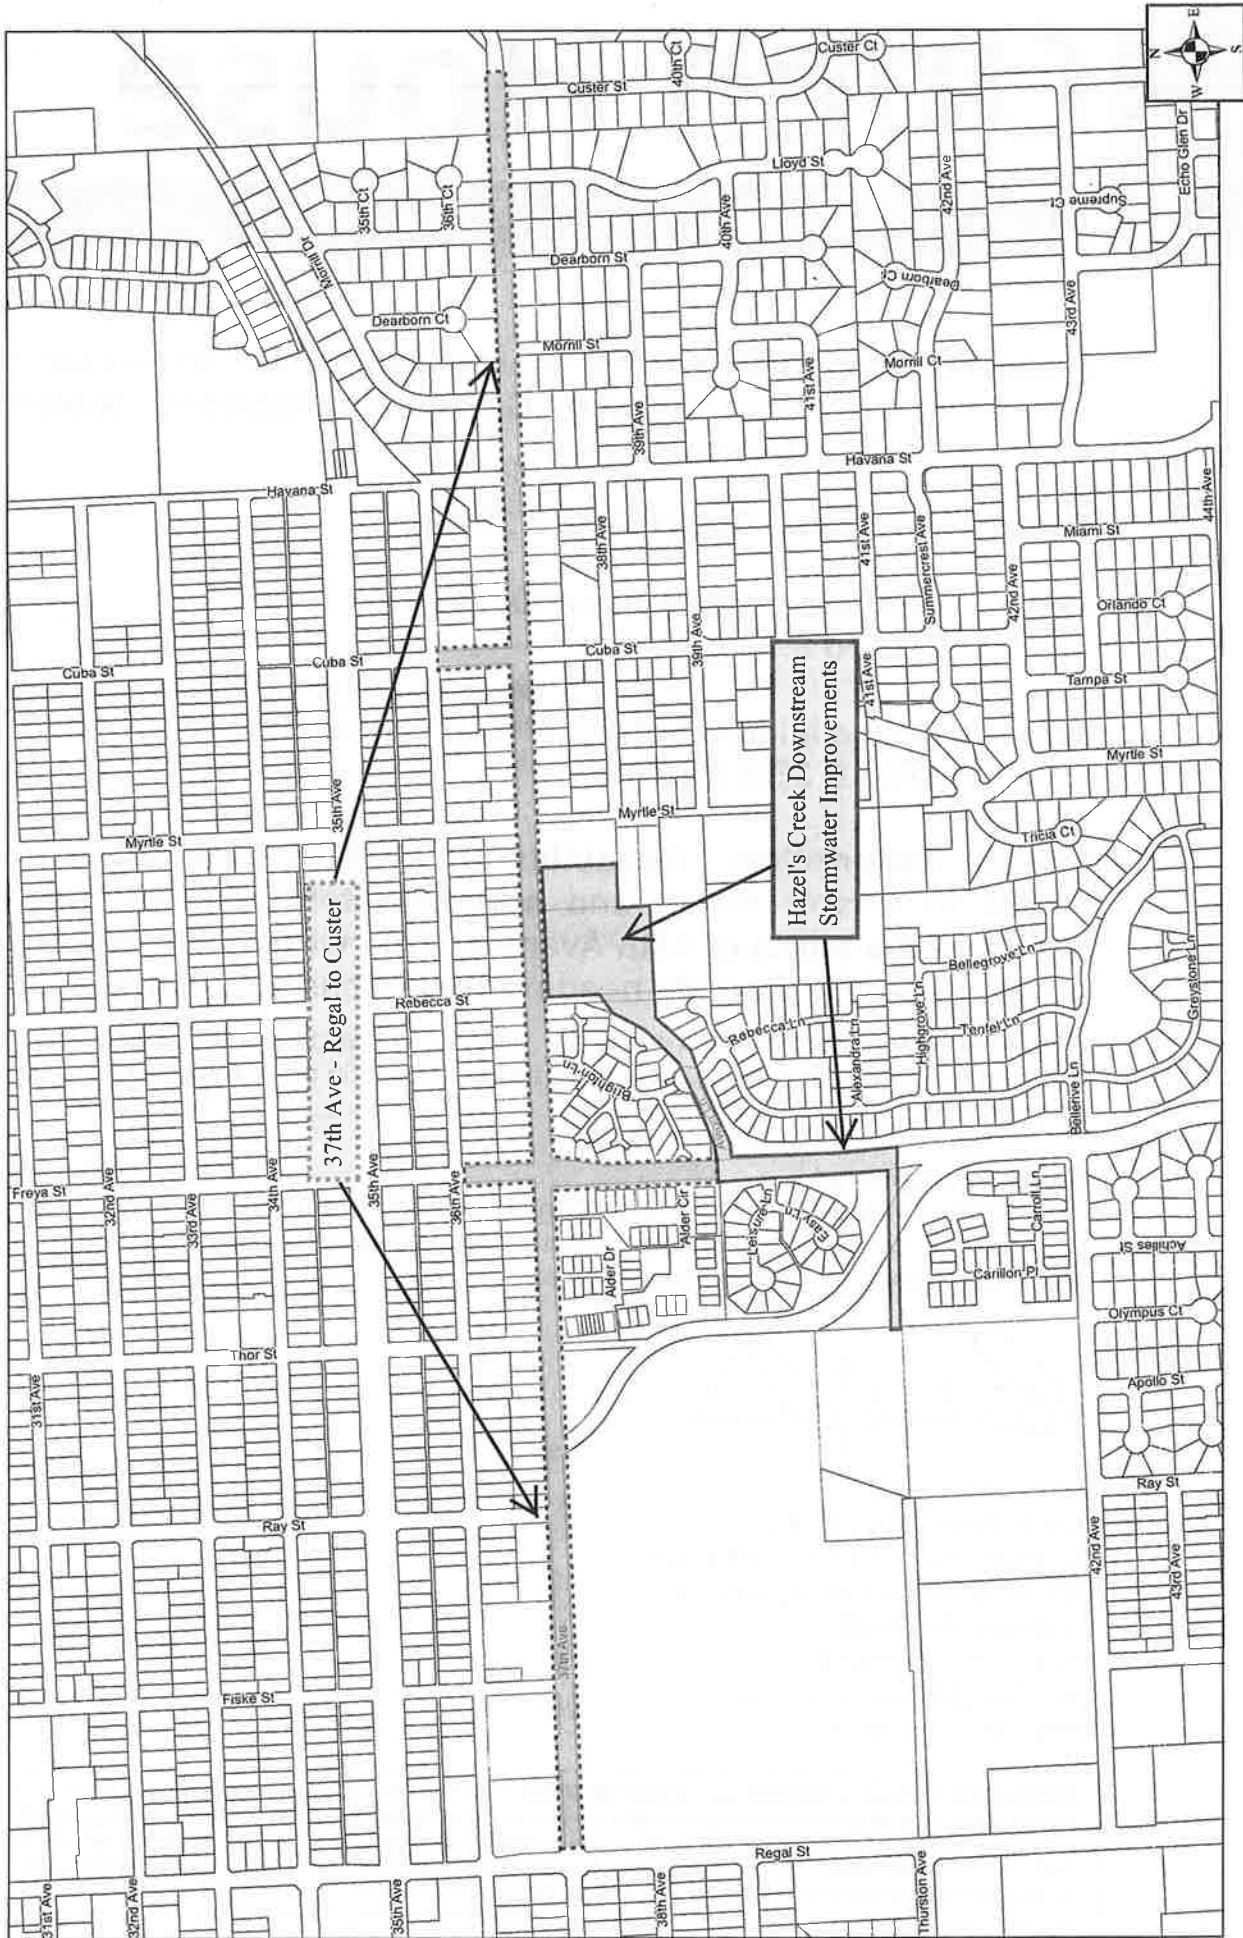

\*PLEASE NOTE: When street trees are present in the project construction zone, tree limbs in the public right-of-way may need to be trimmed in order to prevent limb breakage by construction equipment.

#### **Public Engagement**

Community engagement is an important aspect of street development for utility and quality of life improvements that are practical, useful and cost-effective. We hope you will come share your comments about this project.
