PRESENTATION

New Councilman Introduction - Breean Beggs

Last month the City Council appointed a new member to serve the rest of John Snyder's term: Breean Beggs. Mr. Beggs is going to take a few minutes to introduce himself and discuss some of his priorities and goals as the new District 2 representative.

Southeast Sports Complex/KXLY Land Use Presentation

Representatives from the City of Spokane Parks and Recreation Department are going to present on the latest plans for granting KXLY easement across the Southeast Sports Complex and what opportunities exist to improve and enhance the park as part of that process. Part of this discussion will be whether or not Southgate wants to commit a portion of the \$300,000 from the sale of the city-owned land being purchased by KXLY to be used for creating trails in the new Southeast Sports Complex and make the money available to the Parks Department to pursue matching funds through grants.

2016 Traffic Calming Application Final Decisions

Last month we heard a presentation from a neighbor on Perry Street for a proposal to develop some pedestrian safety features along Perry near 44th Avenue. We will discuss the full proposal and vote on whether or not to send this idea forward as our neighborhood's 2016 arterial traffic calming application. For information on the traffic calming program, visit:
